OPERATIONS CLIENT MANAGER  
& SENIOR BUSINESS PARTNER

Susie Ehman brings more than 25 years of extensive, proven experience in all areas of Human Resources, with direct experience in a variety of industries, including, Restaurants, Corporate Foodservice and Catering, Telecommunications, and Manufacturing.

Beyond leading full HR support functions, Susie began her HR journey supporting Training and Development for employees at existing locations and at new, full-service restaurant openings across Indiana and Ohio. She coordinated the opening and upskilling of staff for 12 new restaurants while supporting day to day HR functions of all other company locations. Susie has experience leading all HR efforts for two company mergers and establishing and implementing new operating platforms including new payroll and benefits systems as well as designing back and front office operating systems. Susie has supported HR functions of up to 1200 employees across Indiana including 330 team members at the Indianapolis Motor Speedway, coordinating catering services across multiple venues. Additionally, Susie supported the HR functions for company initiatives in the purchase of 4 new companies.

Susie's calm demeanor and ability to see the whole picture give her strong problem-solving skills. Her additional strengths of unimpeachable integrity and a positive 'can-do' attitude make her an invaluable strategic and proactive business partner to senior management while maintaining employee trust and confidence.

She is a graduate of Purdue University with a Masters of Science degree in Management from Indiana Wesleyan University.
